To Whom It May Concern,

I am pleased to write this letter of recommendation for Ghulam Ahmed, who served as a **Full-Stack Software Developer Intern** at **SkyIT Services** from **May 10, 2024 to September 1, 2024**.

SkyIT is a modern company that makes **industry-leading digital transformations in the Fleet management Industry** by providing our partners and clients a full range of consultancy services, **cutting-edge technologies to manage fleet assets**, measure and **reduce fleet carbon emissions**, and streamline fleet operations through Machine Learning and Artificial Intelligence.

Ghulam Ahmed's technical proficiency in frontend technologies, including React and NextJS, was evident from day one. He skillfully applied this knowledge making valuable contributions to multiple projects. Ghulam Ahmed's ability to adapt to new technologies, coupled with his problem-solving skills, marked him as a standout member of our team.

Furthermore, Ghulam Ahmed's collaborative spirit and proactive approach to work were invaluable. He communicated effectively with team members, actively engaged in discussions, and consistently delivered clean, well-documented code.

I highly recommend Ghulam Ahmed for any employment opportunities within your organization. If you require any further information or have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Shahab Seyedi'.
